## INSTRUCTIONS FOR REMEDIAL EDUCATION

### A. Remedial Education to Fulfill Illinois Secretary of State Requirements

1. The curriculum for the Remedial Education Program should include the following general topics:
  - a. Information on alcohol as a drug.
  - b. The DUI problem.
  - c. Alcohol/alcoholism and drugs/drug dependency and their effect on individuals and families.
  - d. Assistance for alcohol and/or drug abuse problems.
  - e. Other drugs, legal and illegal, and their effects on driving when used separately and/or in combination with alcohol.
  - f. Physiological and pharmacological effects of alcohol and other drugs, including the residual impairment of normal levels of driving performance.
  - g. Blood-alcohol concentration (BAC) reading and its effect on driving performance.

### B. Pre-test and Post-test

A pre-test and post-test are used by many programs to provide an inventory of a petitioner's knowledge of the effects of alcohol and drugs on driving and to gauge improvement of his/her knowledge of that subject material. If such tests are administered, the results must be recorded in Section II.

### C. Remedial Education Verification

Successful completion of a Remedial Education Program as determined by individual program criteria must be verified by an authorized program representative in Section II.

**NOTE: Remedial Education must be completed after a petitioner's most recent DUI offense.**
